

# POTATO PEELERS

E570C

E565C

E560C

## Model E560/ E565C / E570

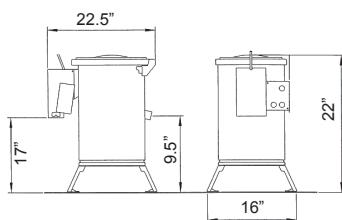

Our peelers combine economy and efficiency in preparing vegetables. Simple and safe to use, as well as easy to clean! All are constructed of stainless steel. The peeling cycle is swift with minimum product waste.

The electrical components are protected inside a sealed box. They are equipped with a safety sensor, which stops the cycle when the door is opened. All models feature a timer.
